

## Self-Contained Extractor

**CFR Self-Contained Extractor,  
maximum cleaning power for  
professional applications!**

**CFR quality in a  
non-recycling unit.**

### Self-Contained Extractor

For convenience you can't get any easier than a CFR self-contained extractor. You get maximum productivity with the added flexibility of attaching additional tools for cleaning spots, stairs and upholstery. These extractors are great for tight areas where maneuverability is a problem.

CFR Self-Contained Extractor provides superior cleaning power with a floating brush head that maximizes agitation and leaves the carpet cleaner. You never have to worry that you don't have the brush at the proper level – it needs no adjustment.

The powerful 1300 RPM chevron style brush agitates and removes soil other self-contained extractors leave behind. Solution is delivered at 100 p.s.i. through two spray jets for even application.

- **9 gallon solution tank**
- **Compact unit for easy transport or storage**
- **18" cleaning path**
- **Heavy-duty polyethylene body**
- **Separate vac, brush and pump switch**

# Self-Contained Extractor

Fingertip controls are easy to access

Streamlined design works great in small areas.

Fixed vacuum shoe for maximum recovery

Floating brush head maximizes agitation and leaves carpets cleaner.
